

decimal3D Version History

This section is intended to provide access to previous versions of the decimal3D userguide documentation. Below you will find the userguide for each released version of the decimal3D App.

Finding the App Version

To find your application's current version use the top "View" menu and select "App Info"; the "Version" field will contain your current version of the App.

Using the current version of the application, find the appropriate user guide below.
