

decimal3D Version History

This section is intended to provide access to previous versions of the decimal3D userguide documentation. Below you will find the userguide for each released version of the decimal3D App.

Finding the App Version

To find your application's current version open the “Advanced” page from the left side menu.

Using the current version of the application, find the appropriate user guide below.

Versions

This is a list of the user guide as released for each version of the decimal3D App.

Latest Stable Version

- **1.1.0:** User Guide information is directly available on this website (pdf version can be downloaded [here](#) for offline reference). Note that this version 1.1.0 was the first release intended for clinical use.

Previous Versions

- **1.0.0** (Non-Clinical)
