

Application Usage and Features

Launching The Application

In order to Launch the decimal Ordering Tool app you must use the decimal Launcher to authenticate and open your desired application.

NOTE: You will need your .decmlal Direct user Log in.

1. Download and install the decimal Launcher.
2. Log in with your .decmlal credentials.
3. Find decimal Ordering Tool and download/launch the application.

For further instructions please refer to the [decimal Launcher User Guide](#).
