

Ordering Devices

Once a plan has been approved, the user is able to order the devices that were added to the beams in the plan. Ordered devices will be sent to .decimal for manufacturing through [decimal Direct](#) via [secure HTTPS](#).

**Note:**

Skin Collimator ordering is currently not supported.

Once the user has decided which devices to order, the following fields will need to be filled out in order to complete the order.

- **Shipping Address:** The address the devices will be shipped to. The areas listed here can be edited or new ones added from the [Organization Configuration](#) block.

- **Bill Info:** Any additional PO or specific Billing information to be added to the order. This is an optional field.

Once these fields have been filled the device(s) can be ordered and the user will be provided with a confirmation if the order is completed successfully.

A screenshot of the 'Order Complete' confirmation screen. The screen has a blue header with the title 'Order Complete'. Below the header, there is a message: 'All devices have been successfully ordered. Thank you for your order.' At the bottom right, there is a 'Finish' button (orange).
