2025/12/14 07:19 1/3 Planning Version History

# **Planning Version History**

This section is intended to provide access to previous versions of the astroid userguide documentation. Below you will find the userguide for each released version of the astroid Planning App.

### Finding the App Version

To find your application's current version use the top "View" menu and select "App Info"; the "Version" field will contain your current version of the App.

Using the current version of the application, find the appropriate user guide below.

### **Versions**

This is a list of the user guide as released for each version of the astroid Planning App.

#### **Latest Stable Version**
