Planning Version History

This page is intended to provide access to previous versions of the astroid userguide documentation. Below you will find the userguide for each released version of the astroid Planning App.

Finding the App Version

To find your application's current version:

1. Open the astroid Application
2. Login with your username and password
3. Select your realm
4. From the top View menu select App Info
5. The "Version:" field will contain your current version of the App

Using the current version of the application, find the appropriate userguide from below

Versions

- 1.0.0-a11

(Alpha release 11)
