

Planning Version History

This page is intended to provide access to previous versions of the astroid userguide documentation. Below you will find the userguide for each released version of the astroid Planning App.

Finding the App Version

To find your application's current version use the top "View" menu and select "App Info"; the "Version" field will contain your current version of the App.

Using the current version of the application, find the appropriate user guide below.

Versions

This is a list of the user guide as released for each version of the astroid Planning App.

Latest Stable Version

- Planning App: 2.1.0
 - [Release Notes](#)
